Kingdom Partners Scholarship Opportunity *for Families*

HCA has been blessed by the generosity within our community from those who desire to partner with our vision to “*Embrace Children, and Release Leaders*” with a biblical worldview education. The **Kingdom Partners Scholarship** is funded by local churches, organizations, and individuals who have specific interests in seeing their donated funds go directly to students who have expressed an interest in pursuing a Christ-centered education at Haywood Christian Academy.

What is required of the recipient?

- The student must agree to the doctrinal statement and core values of HCA.
- The student must maintain 70% or above in each subject and regularly attend classes.
- The student must display Christ-like character expected of all HCA students.

Special Considerations: Special consideration will be given to financial need, size of family, and special circumstances submitted by applicant.
